

# DynaDrill™ 514

## Cordless Concrete Drilling (Impact Drill)

### Function

Portable percussion drilling, for regular drill driver users with small hole (5-8mm) concrete drilling requirements. High power and long run time. High rpm and torque. Variable 2 speeds. 15 torque settings. 2 or 2.4 Ah power and fast charge options. Complete with 2.4Ah battery, charger and carry case.

### Overview

No load speed:	0-500/1700rpm
Impact rate:	0-21,000bpm
Impact energy:	1.8J
Torque:	24/65 Nm
Weight (excluding battery):	1.8kg
Tool holder:	13mm keyless 3 jaw

### Drilling Range

Drill diameter in concrete:	5-12mm
Optimum drilling in concrete:	5-8mm
Drilling diameter in steel:	up to 13mm
Drilling diameter in wood:	up to 32mm
Order number:	DD514

# Ramset™ | CSD14

## Cordless Drill Drive

### Function

Powerful drill driving. For light to medium duty drilling (steel/timber) and screwdriving requirements. Compact and lightweight. Variable 2 speeds. 15 torque settings. 1.5 or 2.0 Ah power and fast charge options. Complete with 2.0 Ah battery, charger and carry case.

### Overview

No load speed:	0-400/1200rpm
Torque:	23/35 Nm
Weight (excluding battery):	1.1 kg
Tool holder:	10mm keyless 3 jaw

### Drilling Range

Drill diameter in steel:	up to 11mm
Drill diameter in wood:	up to 32mm
Order number:	CSD14
